SUPPLEMENT

Vicente Lombardo Toledano has informed Rodolfo Guzman, Secretary General of the Confederacion de Trabajadores de Costa Rica, that the Central American Democratic Conference of the CTAL, scheduled to be held in Guatemala, will be postponed because of political developments and the suspension of civil guarantees in that country. Lombardo advised Guzman that the present events in Guatemala do not signify any change in that government's sympathy toward the working classes, and that as soon as the situation returns to normal, the CTAL Conference will be held there.
